

RNLI - Charity that Saves Lives at Sea

RNLI Mission

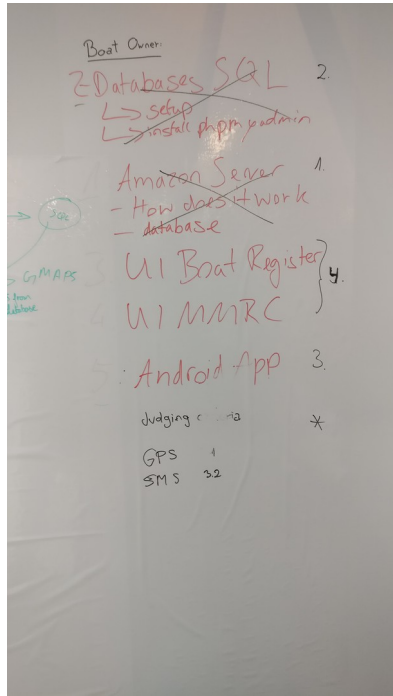

- 90% of drowning deaths occur in developing countries. Rescue services are non-existent.
- 24-hour life boat search and rescue

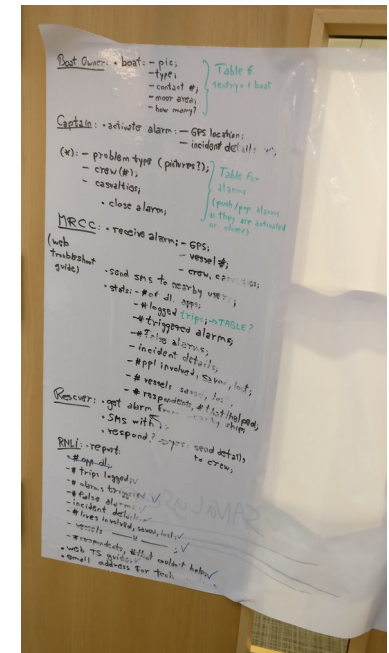

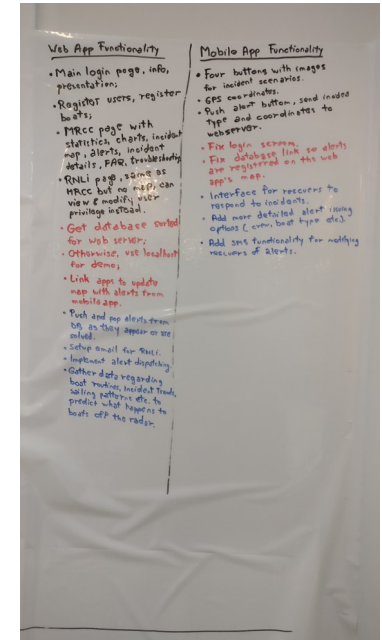

Challenge: Fisherman's Friend

- Develop a solution ensuring individuals are safe and sound
 - Boat owners – Register
 - Captain & Crew – Inform
 - Rescuers/ MRCC – Help
 - RNLI – User Base & incidents & impact

Development

- No prior Android development experience
- Brainstorming & Planning
- I

Our Solution

From The Perspective of:
